GENERAL BUSINESS

Syllabus – review in progress

Raffle – discussed whether to hold in conjunction with the Runathon or at Easter

Booklet – nearly complete now that sponsorships finalised

Runathon – format preferred to be by donation rather than per lap – enables money to be collected at the time of the event. Discussion held to make it more competitive and encourage one ‘winner’ per age group. Prizes for multiple winners were a significant expense last year. Further discussion to be held at the start of 2019 season.

Ride-on – Tyre always flat and required to be fixed

‘Skills Night’

Discussion held regarding parental involvement and training for recording and measuring events.

Would be good to reinforce techniques and rules for events

The Race Walk night with Darryl is a great technique reinforcement

Proposal for U12’s and above to be based at different stations to assist in training.

U7 and above are required to have accurate measures

‘no jump’ rules (exiting of the ½ circle etc)

Peter to send email / text and print flyer, reinforcement of Athletics Victoria Guidelines

? Approach Daniel Hooper (Javelin) or other Athletics Clubs for assistance

2019

Friday February 1st is the opening night

9-10 week term

Parent Helpers

More encouraged to assist

Proposal to offer a Sausage and Drink for helping

Requested to sign the bottom of the recording sheets each week

Committee – Thanks to all for your help throughout the season.

Special mentions:

Ross & Russell for assisting with set-up each week.

Adam for cooking the BBQ

Rhiannon & Kelly for operating the Canteen (also running smoothly selling the sausages from inside)

Tyler & Justin for helping out each week

Consumables

Discussion held regarding the sourcing of our Bread & Sausages. Skipton Street Bakery may also be able to provide some \$10 Vouchers which can be used as prizes.

Sponsors cover the cost of the food provided for events.

District involvement

Maddie Lewis has been named Sportsgirl of the Year at Phoenix College

Track events can be run at Llanberris for athletes wishing to compete on competition tracks

Knowledge of the track is beneficial before transition to Secondary School athletics

Meeting Closed at 6.50pm
